Meet the Artist: Vanessa Golson

Through the expression of color, the viewer is invited to share in an imaginative, engaging visual art experience, offered by artist, Vanessa Golson.

Vanessa's artistic style is representative of abstract painting. This is captured through the acrylic medium, mostly with the fullness of rich, vibrant colors with "tempted to touch texture", and through stunning one-of-a-kind acrylic pours, and 3D wall art.

Meet the artist at Central Library on October 5, from 6-7:30 p.m. The artist's work will be on display throughout the month of October, 2022.

Wed. 10/05 @ 6:00 pm– 7:30 pm
