

Truth, Lies & False Truths: The Divide Created by MEdia and YOUdia

with Dr. Alan Campbell, of WHRO Public
Media's *Watching America* Podcast

Are humans willfully incapable of recognizing what is true? Or are we perpetually duped by commercial, political and social propagandists? Dr. Campbell, trusted media specialist and active broadcaster with years of experience at NBC, CBS and NPR affiliates, leads this thought-proving talk.

Sat., March 23 | 2 p.m.

Central Library Auditorium, 4100 Virginia Beach Blvd.
