

Meet the Authors!

Stephanie Wildman and Adam Ryan Chang will celebrate Jewish American Heritage Month & Asian American and Pacific Islander Heritage Month with their book, "Miri's Moving Day"!

Miri will miss the Chinese lions in front of her apartment building. What will happen to her now that it's moving day? Fortunately Zayde, her Jewish grandfather, and Yeh Yeh, her Chinese grandfather, have some surprises to help her feel at home in her new apartment.

Together, Stephanie and Adam will host an interactive read-along featuring a craft activity for pre-K through 3rd graders.
